

SmartSet™ EMT

Submittal Sheet

SmartSet EMT with built-in set screw coupling saves time and money on every job. The engineered steel set screw coupling comes built into one end of every piece of EMT and allows for up to 5x faster installation compared to standard set screw couplings. SmartSet EMT is available in trade sizes 1¼-4 in 10' and 20' lengths.

Listing

SmartSet EMT is listed to safety standards UL-797 and UL-514B for fittings, and it is manufactured in accordance with ANSI® C80.3.

Locations

SmartSet EMT is to be installed in accordance with the requirements of the National Electrical Code® Articles 358 (Electrical Metallic Tubing) and 358.42 (Couplings and Connectors). It is acceptable for use in all locations where standard EMT is allowed with associated fittings.

SmartSet EMT Weights, Dimensions and Packaging (10' and 20' Lengths)
