

WESTERN RIGID 100% DOMESTIC 100% OF THE TIME

Conduit and couplings made proudly at our mill in the USA

Need rigid conduit for projects that require domestic materials? Make sure it's from Western Tube. Other suppliers add imported couplings to domestic conduit or import finished rigid conduit that's made offshore. But Western's rigid metal conduit (RMC) is always 100% made and melted in the USA.

Visit westerntube.com or call **800.310.8823**
to find a local distributor.

Western's Rigid Metal Conduit
