

FROM COAST TO COAST INVEST IN AMERICAN MANUFACTURING.

ALL WESTERN TUBE PRODUCTS ARE MADE BY AMERICAN WORKERS TO THE HIGHEST QUALITY STANDARDS.

For over 50 years, Western Tube has been an integral part of our nation's buildings and infrastructure. Our team manufactures the highest-quality metal conduit products using only domestic steel and aluminum, with attention to detail you won't find in imports. When you invest in domestic manufacturing, you support American workers and the communities in which they live and work. We're all in this together.

FASTER INSTALLS. BETTER PERFORMANCE. ALL AMERICAN.

Western Tube employees are proud to be manufacturing a better future for America. They work hard every day, producing a full line of high-quality EMT, IMC, rigid and aluminum conduit that includes a variety of time-saving products. Our value-added engineered solutions help strengthen the country with every installation.

Time-savers from American makers

From pre-installed fittings to color-coded and extra-long conduit, Western Tube products work together to save time on every job.
